

## Spanish Level 3: AS / A2

AQA

**PROGRAMME AIM:** To develop linguistic skills and the capacity for critical thinking based on knowledge and understanding of the language, culture, history and society in the countries and communities where Spanish is spoken. By the end of the programme, students will have both the linguistic and cultural understanding required to be able to competently and compassionately communicate with speakers of Spanish. As well as communication, students will have the opportunity to enhance other transferrable skills such as autonomy, research, resourcefulness and creativity.

### CONTENT:

### ENTRY REQUIREMENTS / SUITABILITY:

5 GCSE grades A\*-C including grade B or above in Spanish. The course will suit those with a passion for language, culture, travel and current affairs who wish to build on good written and verbal communication skills. Students will be expected to describe, explain and evaluate as well as offer and justify their opinions using advanced level vocabulary, structures and grammar in Spanish in both speech and writing. They will also be required to understand a variety of authentic spoken and written texts from a range of topic areas.

### LEADS TO:

An A-Level in Spanish will enable students to continue to study the language at degree level. It will also furnish them with the necessary skills to learn other languages 'ab initio'. Language skills are highly respected and sought after in the workplace. Linguists can become translators and interpreters. They may gain employment in the European Union, United Nations and other professional fields where language skills are required, for example business, law and
