Dear Parent / Carer,

We are aware that a number of fake **Instagram** accounts have been set up in recent weeks in the names of students and teachers from our Academy. Subsequently there has been an exchange of messages from the owner of the fake accounts and some of our pupils, predominantly in Year 9. These messages are of a wholly inappropriate nature.

We would welcome your support by asking that in the first instance you check your child's online activity. We would also ask that you remind your child of appropriate use of social media, especially linking accounts with someone when they do not know them or are not sure who they are.

Full details regarding online safety are available on our website:

<http://www.sspp.lincs.sch.uk/e-safety/>

St Peter and St Paul Catholic Voluntary Academy is committed to safeguarding and promoting the welfare of all the children in our Academy and we would ask that should you have any concerns or view anything that may be of interest to our investigations that you please contact the Academy and ask to speak to either Mr Wilkinson or Mrs Hennell who are our Safeguarding Officers.

Thank you for your support in this matter.

Yours sincerely

D Keogh  
Headteacher
