

8<sup>th</sup> May 2019

Dear Student,

As we enter the exam season I would like to commend all students for the commitment shown so far towards the exams; this has been exemplary and I hope this will continue when you return after half term.

**You are reminded that lessons will continue as normal up to 3.15 pm on Friday 24<sup>th</sup> May and that we will continue to have the usual high expectations regarding behaviour and commitment to work on this day and during the examination period. Between Monday 13<sup>th</sup> May and Friday 24<sup>th</sup> May if you are not in an exam it is expected you are in your normal lesson.**

**You will be given further information closer to the end of term about the arrangements from Monday 3<sup>rd</sup> June 2019. As well as revision and preparation for written exams I must remind you to commit yourselves fully to completion of vocational (BTEC) qualifications to the best of your ability. In the run up to and during the examination period the Sixth Form Area will be available for revision after school each day.**

I would also like to remind you of key dates and events that will be coming up after your examinations have ended.

**Key dates:**

2.00 – 2.30 pm: buffet lunch

It will also be an opportunity for you to sign each other's school shirts / memory books. Further details will be sent out nearer to the date.
