

January 2020

Dear Parent / Guardian,

I am writing to wish you all a very happy New Year. I am delighted to inform you that I have been able to fully return to school and am looking forward to continuing my work with staff and students at St Peter and St Paul Academy.

This next term promises to be an exciting one with a number of projects planned. Our school has been successful in a high profile competition based at Lincoln University; which we are due to attend the next round of in forthcoming weeks.

The First Steps to Study programme commences this term for a selection of students in Years 9 and 10. This is a programme that helps consolidate study skills, supports students with the art of studying and involves an external visit to Bishop Grosseteste University .

We also have a big focus on our Accelerated Reader and connected rewards programme. We aim to continue to work in partnership with parents / guardians, and encourage Years 7 & 8 students in particular, to read for at least 20 minutes per day.

We look forward to our forthcoming educational and spiritual planned trips this year; including an Easter ski trip and summer trips to London, the Battlefields of France and Belgium and a Pilgrimage to Lourdes. More information on these can be obtained from Mrs Sansam in the school Library.

Finally following the mock examinations that occurred before Christmas we now renew our efforts to support students both in Key Stage 4 and Key Stage 5 in preparation for their final examinations, by providing additional intervention and revision opportunities. More information on this will follow.

My thanks and appreciation goes to our Trust and especially to Mr Scriven for the hard work he has put into running the school in my absence. I am pleased to inform you that Mr Scriven will continue to work with us in the capacity of Executive Headteacher during this academic year.

Please do not forget our Year 11 Parents' Evening opportunity later this week (16th January) and I look forward to seeing many parents at this event.

Yours sincerely

R Le Caplain
Headteacher
