'I have come that they may have life and have it to the full'

John 10:10

The Ethos of St Peter and St Paul

"Our academy is a community where Jesus Christ is our role model and his message the guiding principle behind all we do.

Every member of our community is responsible for creating an environment that is caring, fair and respectful of each individual.

We develop our potential, celebrate our talents and go forward together in faith."

Christ is the foundation of everything we do and the Gospels provide us with our influence and inspiration. We are therefore committed to promoting:

The uniqueness of the individual

We believe that every person is a unique individual, created in God's image and loved by Him. We are therefore committed to treat every person with equality of esteem and the respect and dignity due to a child of God.

The search for excellence

We are called to seek perfection in all aspects of our lives. We celebrate the enrichment of the total community, which flows from diversity of age, gender, racial and social origins, abilities, culture and religion. We are therefore committed to ensure that all are to be given every opportunity to develop their talents to the full.

The education of the whole person

We offer young people the experience of life in a community founded on Gospel values and working in harmony. Through this and a variety of educational experiences and interactions we aim to prepare young people for a life working with others in communities which maybe diverse socially, culturally and religiously. We recognise that it is also important to help pupils to understand their own ethnic identity and cultural heritage as well as helping them to understand that of others irrespective of whether the academy serves or is located in an ethnically diverse community.

The education of all

We have the duty of care for all to ensure that we provide for those who are socially, academically, physically, emotionally or financially disadvantaged.

Moral principles

Our belief in the Gospel message commits us to be in the forefront of the movement for social and racial justice and harmony. We believe this is fundamental to the common good. We aim to prepare our young people to serve as witnesses to these moral and spiritual values in the wider world.

Consequently, we still strive to ensure that:

Any person recruited to the service of the academy, whether as a member of staff or as a volunteer, is made fully aware of our aims and objectives and required to support them;

Children who are admitted to the academy and their families are fully aware of our aims and objectives and undertake to support them;

All of our structures and policies are evaluated and kept under constant review in order to see that no individual is subject in any way to unlawful discrimination, whether intentional or unintentional, and to ensure that all are enabled to reach their full potential.

'I have come that they may have life and have it to the full'

- Ensures a **non-examination assessment policy** is in place for GCE and GCSE qualifications which include components of non-examination assessment (For CCEA GCSE centres this would be a controlled assessment policy)

Non-examination assessment policy

This policy will be saved in Staffshare and a copy will be available in the Exams Office.

The centre will... have in place and be available for inspection purposes, a written policy with regard to the management of GCE and GCSE non-examination assessments; (For CCEA GCSE centres this would be a written controlled assessments policy.) [\[GR 5.7\]](#)

The JCQ requires each centre to have a non-examination assessment policy in place:

- to define staff roles and responsibilities with respect to non-examination assessments;
- to manage risks associated with non-examination assessments.

A JCQ Centre Inspector will ask the examinations officer to confirm that such a policy is in place. The guidance provided in this document will help the head of centre to ensure that the centre's policy is fit for purpose. The policy will need to cover all types of non-examination assessment.

Additionally, each centre must have available for inspection an internal appeals procedure relating to internal assessment decisions. [\[NEA 1\]](#)

Where it is impossible to identify a candidate due to the wearing of religious clothing, such as a veil, the candidate should be approached by a member of staff of the same gender and taken to a private room where they should be politely asked to remove the religious clothing for identification purposes. Centres must inform candidates in advance of this procedure and well before their first examination.

Once identification has been established, the candidate should replace, for example, their veil and proceed as normal to sit the examination.

In the examination room candidates must not have access to items other than those stated in the instructions on the question paper, the stationery list or the specification for that subject.

Potential technological/web enabled sources of information such as... are not permitted... ideally, all unauthorised items are left outside of the examination room... any pencil cases taken into the examination room must be see-through... any unauthorised items that have been taken into the examination room must be placed out of reach of the candidates (and not under their desks) before the examination starts. This would normally be at the front of the examination room or a similar arrangement that enables the invigilator to control access to the items... If candidates have access to unauthorised items in the examination room this may be considered as malpractice.
