### **The Ethos of St Peter and St Paul**

*"Our school is a community where Jesus Christ is our role model and his message the guiding principle behind all we do.*

*Every member of our community is responsible for creating an environment that is caring, fair and respectful of each individual.*

*We develop our potential, celebrate our talents and go forward together in faith."*

Christ is the foundation of everything we do and the Gospels provide us with our influence and inspiration. We are therefore committed to promoting:

### **The uniqueness of the individual**

We believe that every person is a unique individual, created in God's image and loved by Him. We are therefore committed to treat every person with equality of esteem and the respect and dignity due to a child of God.

### **The search for excellence**

We are called to seek perfection in all aspects of our lives. We celebrate the enrichment of the total community, which flows from diversity of age, gender, racial and social origins, abilities, culture and religion. We are therefore committed to ensure that all are to be given every opportunity to develop their talents to the full.

### **The education of the whole person**

We offer young people the experience of life in a community founded on Gospel values and working in harmony. Through this and a variety of educational experiences and interactions we aim to prepare young people for a life working with others in communities which maybe diverse socially, culturally and religiously. We recognise that it is also important to help pupils to understand their own ethnic identity and cultural heritage as well as helping them to understand that of others irrespective of whether the school serves or is located in an ethnically diverse community.

### **The education of all**

We have the duty of care for all to ensure that we provide for those who are socially, academically, physically, emotionally or financially disadvantaged.

### **Moral principles**

Our belief in the Gospel message commits us to be in the forefront of the movement for social and racial justice and harmony. We believe this is fundamental to the common good. We aim to prepare our young people to serve as witnesses to these moral and spiritual values in the wider world.

### **Consequently, we still strive to ensure that:**

Any person recruited to the service of the school, whether as a member of staff or as a volunteer, is made fully aware of our aims and objectives and required to support them;

Children who are admitted to the school and their families are fully aware of our aims and objectives and undertake to support them;

All of our structures and policies are evaluated and kept under constant review in order to see that no individual is subject in any way to unlawful discrimination, whether intentional or unintentional, and to ensure that all are enabled to reach their full potential.

This policy is reviewed annually to ensure compliance with current regulations

## What does this policy affect?

This policy affects the delivery of subjects of GCE and GCSE qualifications which contain a component(s) of non-examination assessment.

*The regulator's definition of an examination is very narrow and in effect any type of assessment that is not 'externally set and taken by candidates at the same time under controlled conditions' is classified as non-examination assessment (NEA). 'NEA' therefore includes, but is not limited to, internal assessment. Externally marked and/or externally set practical examinations taken at different times across centres are classified as 'NEA'.*

[Definition taken directly from the JCQ publication [Instructions for conducting non-examination assessments, Foreword](#)]

[This publication is further referred to in this policy as NEA](#)

## Purpose of the policy

The purpose of this policy, as defined by JCQ, is to

- ▶ cover procedures for planning and managing non-examination assessments
- ▶ define staff roles and responsibilities with respect to non-examination assessments
- ▶ manage risks associated with non-examination assessments

The policy will need to cover all types of non-examination assessment.

[NEA 1]

## What are non-examination assessments?

This is explained in [NEA](#).

*Non-examination assessments measure subject-specific knowledge and skills that cannot be tested by timed written papers.*

*There are three assessment stages and rules which apply to each stage. These rules often vary across subjects. The stages are:*

- task setting;
- task taking;
- task marking.

[NEA 1]
